Infernals Army

- **Factions noted with a "*" : These factions will eventually have two Prime Legacy armies by the time all Legacy development is complete.**
- **Mercenaries will have a total of six armies including Cephalyx, Farrow, Rhulic and Privateers.**
- **All contained factions (Grymkin, Crucible Guard, Convergence, and Infernals) will eventually have access to all models in their faction in the Prime Arena.**
- **Battle Engine, Colossal, and Gargantuan models will be added to MKIV when ready.**

MKIV Mercenaries

- MKIV Mercenaries will be designated to work with specific armies within a faction.
- Mercenaries in one army may not be compatible with later MKIV army releases of the same faction.
- Legacy Mercenary models/units are only available for use in the Prime Arena if they are part of a Prime Legacy army, such as the Soldiers of Fortune or the Blindwater Congregation.
- MKIV Mercenary models cannot be included in Legacy Forces.
- The armies that Mercenaries can be included with may update over time as new armies are introduced.
